Case Study

Overview

Case Study Structure

- ▶ The case study consists of **three exercises**.
- ▶ The topic of the case study is the analysis of **volleyball match & player statistics**.
- ▶ For each exercise, submit:
 - ▶ A short report on your analysis and findings
 - ▶ One corresponding **PDF file**
 - ▶ Meaningfully commented **R code** as an `.R` file

Overview

Case Study Structure

- ▶ The case study consists of **three exercises**.
- ▶ The topic of the case study is the analysis of **volleyball match & player statistics**.
- ▶ For each exercise, submit:
 - ▶ A short report on your analysis and findings
 - ▶ One corresponding **PDF file**
 - ▶ Meaningfully commented **R code** as an `.R` file

Report Requirements

- ▶ Use of the provided $\text{\LaTeX}$ template is **mandatory**.
- ▶ Be precise and include only the most relevant findings.

Submission

Group Work

- ▶ Work in **groups of three persons**.
- ▶ Assign yourself to a group in **PANDA by June 14th, 23:59**.
- ▶ Without group assignment, submission is not possible.

Submission

Group Work

- ▶ Work in **groups of three persons**.
- ▶ Assign yourself to a group in **PANDA by June 14th, 23:59**.
- ▶ Without group assignment, submission is not possible.

Submission Rules

- ▶ Submitted files must be recognisably different from other groups' solutions.
- ▶ LLMs may only be used to **improve writing style**.
- ▶ Upload results in **PANDA by July 5th, 23:59**.
- ▶ It is sufficient that only one group member uploads the results.

Assessment & Bonus

Passing Requirement

- ▶ Assessment Categories: FAILED, PASSED, GOOD, EXCELLENT
- ▶ At least **PASSED** is required to take the exam.
- ▶ PASSED requires at least **50% of the total points**.

Assessment & Bonus

Passing Requirement

- ▶ Assessment Categories: FAILED, PASSED, GOOD, EXCELLENT
- ▶ At least **PASSED** is required to take the exam.
- ▶ PASSED requires at least **50% of the total points**.

Bonus for Final Exam Grade

- ▶ **GOOD**: final grade improves by one grade step.
- ▶ **EXCELLENT**: final grade improves by two grade steps.
- ▶ Bonus only applies if the exam is passed.

Assessment & Bonus

Passing Requirement

- ▶ Assessment Categories: FAILED, PASSED, GOOD, EXCELLENT
- ▶ At least **PASSED** is required to take the exam.
- ▶ PASSED requires at least **50% of the total points**.

Bonus for Final Exam Grade

- ▶ **GOOD**: final grade improves by one grade step.
- ▶ **EXCELLENT**: final grade improves by two grade steps.
- ▶ Bonus only applies if the exam is passed.

Note: Exercises marked with (★) strongly influence the bonus category. Focus on meaningful findings rather than lengthy answers.
